Hi Cary: couple of things:

1. Could you please forward over the LOI's and any further progress on the sale of assets?
2. Also, could you send a copy of the financial reports you are giving to the bank. I am assuming these are weekly.
3. I have not heard from you on our questions regarding the operating report.
4. As you know, we have two new members on the Committee – I will send over confidentiality agreements as soon as I have them and will not give them any information until they are in place.

Thanks much, CJ

Cary: Could you please forward over the Letters of intent you mentioned in court. Has there been further movement on any sales? Thanks,

CJ

Guys: on the Budget variance analysis from last week, I am a little confused as to the time frames, what do they mean? Also, can we get this every week? Thanks,

CJ
